Dear Pastor and Praying Friends,

September 2009

“...safety *is* of the LORD.” --Proverbs 21:31 We praise God for keeping us safe this month! While at Missionary Candidate School in New Philadelphia, OH, our van broke down twice. On the way back our front tire nearly blew out! As you can see in the picture, our tread was peeling off as we were zooming down the interstate at 70 mph.

God truly does all things well. When we broke down at the Candidate School, we were among many friends who helped us mechanically and financially. When we had to stop due to the tire problem, we were in between the exit of a Preacher who is an old friend of the family and the Wal-Mart (the only store that could service the tires at 7:30 pm) exit. Our dear brother paid for our tires! We serve a great God who provides for us and keeps us safe.

In addition to the excitement of car trouble, we have had many other blessings this month. We were able to participate in a one day VBS. I taught the Bible Lesson to 3 different age groups. I understand that at least **three young people made professions of faith!** Please pray that they are discipled to follow Christ.

The week of classes with All Points Baptist Mission was a great blessing. We made new friends and were encouraged, challenged, and refreshed. We learned many useful, practical things that will help us here and in Argentina. **Thank you** for praying. Please continue to pray:

- ◆ That we will preach, teach, speak, and sing the things that God desires so that souls will be saved, and saints will gain a greater vision of God and His mission in this world.
- ◆ That our support would come **quickly** (Our goal is to reach the field in January 2011.)
- ◆ That our car would sell so we can purchase some things that will make deputation more productive; a projector, portable DVD player, GPS system...
- ◆ That we will be able to record some CDs (We could record an instrumental guitar CD and two vocal CDs [one English, one Spanish] if we had access to the right equipment.

Reaching the world through Argentina,

Joshua Smith
