Starting churches in

Argentina

Dear Pastor and Praying Friends,

October 2009

God is answering your prayers! Our car sold! We recorded a CD! We have a GPS! We now have the funds to buy a projector and portable DVD player! Our schedule for the rest of the year is filling up!

If you listen to some missionaries, they would have you to believe that deputation is a hard road to be dreaded. Some preachers we hear talk of the ministry as if it is a pain. I want to tell you that we serve a **Great** Savior and we are blessed to have *“so great salvation.”* (Hebrews 2:3) Is life hard? *“Consider him that endured such contradiction of sinners against himself, lest ye be wearied and faint in your minds.”* He *“daily loadeth us with benefits”* (Psalm 68:19) It is a privilege and honor to serve the King of Kings! He is a *“Great King.”* (Malachi 1:14). Our job is to make His name *“great among the Gentiles.”* (Malachi 1:11) Anything we do for God is *“reasonable service.”* (Romans 12:1)

How are we going to make His name great if we are constantly complaining about everything? May God help us to always uplift the name of Christ with the way we speak, teach, preach, sing, and live.

I hope you are always encouraged by our letters. God is good. I found a name-brand navy suit in my size in new condition at a Good Will in Elkview, WV for \$10.00. I went to check out and the clerk said, “Oh, it’s on sale for 50% off.” Five dollars for a suit! Don’t tell me about the “bad economy” - God is bigger than the economy!

Thank you for faithfully praying. Please pray that we will please Christ and reach the field by January 2011. Pray that God will prepare hearts now to receive the Gospel.
